The REV. JAMES B. MILLER, Pastor

PASTOR'S FOREWORD

In the few months that I have been called as your Pastor I have been conscious of your fine spirit and co-operation. This spirit and co-operation must never become relaxed if we are to build greater the Kingdom of God.

A great challenge lies before us as members of the Church of Jesus Christ, and each of us ought to feel more deeply the importance of taking an active part in the work of the church as well as its organizations.

Now that St. Daniel's has its own full time Pastor we shall do our utmost to perform a more effective ministry amongst our membership and in the program of the church.

It will be some time until your Pastor will be able to get into all the homes of the members. I feel that my first concern should be to the sick, aged and shut-in members of the church. These members need the presence and the prayers of the Pastor. I know that you will bear with me in this endeavor.

There is something that all of us can do, and this would prove to be fruitful for all. We can all make a special effort to attend church every Sunday.

During 1958 our goal should be every pew filled every Sunday morning. We have many members who worship only once during the year and some who worship only at Communion time. Our sincere hope and prayer is that these members will take a more active part in the worship services of the church. Just as you need the presence of God in your life, so the church of Jesus Christ needs you.

May I take this means of expressing my personal thanks to all who supported the work of the church so vigorously during 1957 and trust that 1958 will be even more fruitful for all.

May God's Blessing rest upon all as we labor together in His Great Work.

Yours In His Service,
Pastor Miller.
